For Discussion:

1. This is the plan I sent to the AKC - their only change - put it may take AKC up to 60 days at * point. The plan did give that much time, it just did not say it.
I will be asking that the 3 committees be approved as the Standard Committee.
I had expected to hear from the AKC in March - so the time line is pushed and that is not a problem as there is about an 8 month pad - which means the poll could start as late as Sept 1st - BUT I hate last minute stuff - so the plan is to stick as close as possible to original plan.
Since the Standard is the most important document owned by the club - oh yeah and without it why have a club?, it is smart to use those who do work for the collie.
So the following committees will help educate before there is any poll.
Breed Education, Judge's Education and the Ethics committee will be in charge of education and then determining the wording for the poll. The AKC will be alerted.
Education on merles to be started in Bulletin and Newsletter immediately -
Approx timing - Poll
Jan 1, 2013 - a poll will be sent to the membership by mail, with 30 days to return to the teller's committee for counting.
Return by Feb 1, 2013
If there is a voice by the membership asking for change, 2 members of each committee (elected to do this by each committee) will undertake the writing to be sent to the membership for proposed change the Standard. (6 members and they will elect a chair( I hope Janie will handle the committee vote to pick 2 and then the vote for a chair )
By April 1st 2013, the above 6 members will bring wording to the board and to * point/60 day AKC for approval.
By June 1st 2013 the ballot with proposed change will be sent to the membership by mail with 60 day return. (as per constitution) (alert AKC to this)
August 1st the teller's committee will report the results.
If approved, any changes will be made to the Standard.
